Trades	Joiners and carpenters Electrician
Versión larga parte 1	The GWB 12V-10 Professional cordless angle drill is the compact solution for hard-to-reach places in Bosch´s 12 V category. Extremely versatile, its 5-position-pivoting head can be adjusted to fit each specific worksite. Additionally, this drill driver's slim, soft grip handle and extended-position trigger provide maximum comfort and control. With a speed range of 0-1,300 rpm, it delivers fast working progress. This tool is intended for drilling in wood with a maximum diameter of 10 mm and for screw diameters of up to 6 mm. It is compatible with all Bosch Professional 12 V batteries and chargers (Professional 12V System).
Versión larga parte 2	The GWB 12V-10 Professional also features Autolock, charge level indicator, Electronic Cell Protection, Li-ion, and two LED lights.
Información adicional versión corta	Also features Autolock, charge level indicator, Electronic Cell Protection, Li-ion, and two LED lights
