Two-hole spanner (1 607 950 043)	✓
Vibration Control auxiliary handle (2 602 025 171)	✓

Datos técnicos

Peso	2,500
Plato lijador de goma, Ø	125,0
Velocidad en vacío	11,500 rpm
Velocidad de giro en vacío, hasta	11.500,0
Potencia absorbida	1.800,0
Interruptor	PROtection Switch
Ø del disco	125,0
Ø del cepillo (tipo vaso)	75,0
Rosca del husillo portamuela	M14
Trades	Metal construction Construction Landscaping Plumbing, heating and air conditioning technology
Versión larga parte 1	The GWS 18-125 PL Professional corded small angle grinder with PROtection switch delivers high-powered performance and an ergonomic design in the 1,800 W category. Fast progress is accomplished due to the grinder’s powerful 1,800 W motor with constant electronics. With a long and slim main handle, it offers superior convenience for long-term usage and comfortable work. Additionally, features like KickBack Control, PROtection switch and a Vibration Control handle support increased user protection. This tool is intended for grinding metal. It is compatible with dust attachments GDE 125 EA-T Professional and GDE 115 / 125 FC-T Professional.
Versión larga parte 2	The GWS 18-125 PL Professional also includes features such as overload protection, restart protection, soft start, and Vibration Control.
Información adicional versión corta	Includes features such as overload protection, restart protection, soft start, and Vibration Control
Tolerancia K	3,0
Nivel de presión acústica	89,0
Nivel de ruido	The A-rated noise level of the power tool is typically as follows: Sound pressure level 89 dB(A); Sound power level 100 dB(A). Uncertainty K= 3 dB.
Nivel total de vibraciones	4,0 1,500 10,0 Desbastar superficies (desbastado) Lijar con hoja de lija
Cordless/Corded	Corded
Nivel de potencia acústica	100,0
Quantity per pallet	65
Peso neto	3,315 kg
Peso bruto	3,315 kg
País de origen	Alemania

Beneficios del producto

- Fast progress accomplished due to a powerful 1,800 W motor with constant electronics
- Long and slim main handle offers superior convenience for long-term usage and comfortable work
- KickBack Control, PROtection switch, and Vibration Control handle provide increased user protection
