

Amoladora Bosch GWS 25-180 220V

SKU	0601.8F3.0E0-000
EAN	4059952527123

Alcance de la entrega

Two-hole spanner (1 607 950 061)	✓
Backing flange (spare part number 2 605 703 014)	✓
Locking nut (1 603 345 043)	✓
Cardboard box	✓
Protective cover (1 619 P15 622)	✓
Auxiliary handle (1 602 025 030)	✓

Datos técnicos

Peso	5,800
Plato lijador de goma, Ø	180,0
Velocidad en vacío	8,500 rpm
Velocidad de giro en vacío, hasta	8.500,0
Velocidad de giro en vacío, desde	6,500 rpm
Potencia absorbida	2.500,0
Ø del disco	180,0
Vaso de amolar, Ø	140,0
Nivel de ruido	The A-rated noise level of the power tool is typically as follows: Sound pressure level dB(A); Sound power level dB(A). Uncertainty K= dB.
Quantity per pallet	84
Peso neto	5,951 kg
Peso bruto	5,951 kg

Beneficios del producto

- The lightest 2500W grinder on the market and with the best power to weight ratio
- Greater ergonomics and optimization for the user
- High material removal rate - The new Bosch motor offers the best performance in the segment
- More durable carbon brushes and lower speed decrease during a heavy work
- Optimized air flow - Airflow system patent that cools the motor 20% more, increasing performance and durability
- Less user fatigue - Vibration reduction make it possible to endure more hours of work
- A more comfortable grip that allows for better control of the tool
- Greater resistance to abrasion - Better resistance to abrasion of concrete and iron residue that passes through the machine's motor
- Laser engraved technical label means greater durability and easier at the time of repair
- Paddle Switch (Optional) - More versions with the dead-man switch for greater user safety
- Easy to repair - Most of the spare parts are interchangeable between the current tool and the new family that will be launched
