Datos técnicos

Tensión de la batería	12.0 V
Número de carreras en vacío	700,0
Cutting capacity in PVC (with 4 Ah), max.	300,0
Trades	Metal construction Plumbing, heating and air conditioning technology
Versión larga parte 1	The GUS 12V-300 Professional universal shears provide a fast solution for professional applications. The self-sharpening multi-material blade makes the tool versatile. Additionally, fast progress is possible due to the shears' no-load speed and a good rotation ratio for soft and flexible materials. Additionally, the powerful setup provides a tough cutting performance of up to 150 m per Ah.
Versión larga parte 2	This tool is intended for cutting PVC, carpet, cardboard, leather, and fabrics. It is compatible with all Bosch Professional 12 V batteries and chargers (Professional 12V System).
Versión larga parte 3	The GUS 12V-300 Professional also features autosharp and Li-ion.
Información adicional versión corta	Features autosharp and Li-ion
Nivel de ruido	The A-rated noise level of the power tool is typically as follows: Sound pressure level dB(A); Sound power level dB(A). Uncertainty K= dB.
Cordless/Corded	Cordless
Quantity per pallet	124
Peso neto	1,580 kg
Peso bruto	1,580 kg

País de origen	Hungría
